

# KINGSBRIDGE

MEMBERSHIP CLUB

LET US TAKE CARE OF  
YOUR WORKFORCE.

**Kingsbridge Membership Club** is an exclusive corporate membership scheme. The scheme enables employers to reward their workforce with discounted rates on private healthcare services.

Registered employees will gain access to various exclusive benefits that are updated regularly. It compliments private medical insurance coverage for employees who have this, but is also hugely beneficial for individuals who do not.

Membership Club members Harbinson Mulholland with our Membership team.

**KINGSBRIDGE**  
MEMBERSHIP CLUB

## INTRODUCTION

As a **Kingsbridge Membership Club member**, your employees will receive discounted and preferential rates on a range of treatments and surgeries, along with access to a range of other exclusive benefits.

-  Membership discounts across treatments and surgeries.
-  Easy access to local specialists via our online portal.
-  Rapid access to referrals.
-  Wellbeing at Work.

Our  
Membership  
has two levels

D  
**DIAMOND  
MEMBERSHIP**

P  
**PLATINUM  
MEMBERSHIP**

D

# DIAMOND MEMBERSHIP

FREE

Our Diamond membership level includes the following benefits;

### Access to our exclusive Membership Portal

Registered employees will receive access to an online membership profile. Here they will be able to view and access all their benefits.

### Ask a Specialist a Question feature

Gain online access to our local GPs or Physiotherapists with our Ask a Specialist a Question email feature.

### Rapid access to GP referrals

Need a referral to proceed with treatment? This is easy to request with our GP referral feature.

### Exclusive benefits and discounts off private healthcare treatments

Access private medical treatment easily with discounts across GP appointments, treatments and surgeries.

### Access to health and wellbeing resources and events with Wellbeing at Work

Access a variety of health and wellbeing events and seminars via our membership portal. Topics covered include healthy eating, cancer awareness, male and female health checks and mental health and stress awareness.

P
